Margaret Herring, Acting Chief  
Enforcement Services Section #2  
Enforcement & Compliance Assurance Branch

Dear Ms. Herring

Mitchell Inc. did not respond to your letter and request for information because after looking at the site map-2, we are not located in the area marked in red. In fact we are nearly 2 city blocks to the east and 3 city blocks to the south.

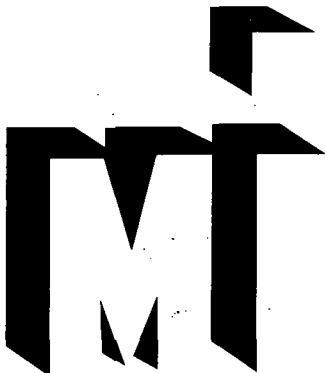

However Mitchell Inc. has leased this facility and property since September of 1983 to the present date and has never had any of the materials stated in your letter within the property. There has never been a leak of any sort since Mitchell Inc. has leased this property nor has Mitchell Inc. been required to have any sort of Permit to operate.

Sincerely yours,

Mitchell Inc.

A handwritten signature in black ink, appearing to read "Edward Mitchell".
